| • <b>L.V.R junior college, Seetharama Puram</b><br>Intermediate Course in MPC (BIE,AP)            | 2018–2020<br>Percentage: 86% |

---

## Skills

- **Programming Languages:** JAVA(CoreJava, OOPs), SQL
- **UI Technologies:** HTML, CSS, JavaScript(Basics)
- **MS Office:** MS Word, Excel, PowerPoint
- **Database:** MYSQL
- **Platforms/Tools:** Eclipse, Visual Studio.

---

## Soft Skills

- Effective Communication
- Problem Solving
- Teamwork

---

## Projects

### PROJECT TITLE: Portfolio Website

Technologies: HTML, CSS

Developed a personal portfolio website from scratch using HTML and CSS to showcase professional profile, skills, and projects. Designed a responsive and user-friendly interface with clear navigation sections including Home, About, Skills, Projects, and Contact. Implemented downloadable resume functionality.

### PROJECT TITLE: ATM Simulation

Technologies: Core Java

Built a console-based Java Quiz Application using Object-Oriented Programming (OOP) concepts including

Abstraction, inheritance, polymorphism, and encapsulation. Developed an ATM simulation program in Java with functionalities like PIN authentication, balance inquiry, cash withdrawal, and deposit. Implemented user input validation and transaction handling for secure and efficient banking operations.

---
